

National Conference with international participation

IASI 37th EDITION **PEDIATRIC DAYS**

June 18-21, 2025 | Iasi, "Internațional" Hotel

PROGRAM

WELCOME MESSAGE

Dear colleagues,

We are pleased to welcome you to the National Conference with international participation “N.N. Trifan Iași Pediatrics Days”, a landmark event in the field of pediatrics in Romania, dedicated to promoting knowledge, exchanging ideas, and supporting medical excellence.

This edition brings together renowned specialists from both Romania and abroad, who will address essential and innovative topics in the field of child health. The conference offers an exceptional opportunity to learn from the experiences of others, to develop valuable collaborations, and to contribute to the improvement of medical practice.

Iași, the city hosting our event, is not only a prestigious academic and cultural center, but also a place rich in history, tradition, and beauty. Known as the city of seven hills, Iași invites you to discover the unmistakable charm of its blooming linden trees, as well as the warm hospitality of the organizers.

We invite you to join us on this scientific and human journey, where together we can build a better, healthier future for children.
