Resident & Fellow Educational Program

It is good to know you have a skilled team. Zimmer Biomet Institute offers support by strengthening the competencies of each and every member of that team.

Be it programs for OR staff or residents or with leadership excellence initiatives – we help your team progress to the next level!

The specific course objectives include:

- Management and treatment of polytrauma
- Hip, shoulder and wrist fracture
- Plating and nailing: the next generation

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.
