Thursday May 29th, 2014

11:30 - 12:30 **La Major**

International Teaching Programme II

Chairs: Xavier DE BOISSEZON, Rolf FRISCHKNECHT, Gaëtan STOQUART, Xanthi MICHAIL

Sessions dedicated to PRM trainees

Workshop « EMG »

Workshop leaders : Gaëtan STOQUART, Thierry LEJEUNE.

This workshop will present the common nerve conduction studies: motor, sensory and late responses. The recommended stimulation and recording techniques, and usual pitfalls, will be demonstrated. The interpretation of the nerve conduction studies results will be discussed.
