Erratum: Tracking the foreign body, a rare cause of hepatic abscess

Carole Dangoisse and Pierre-François Laterre*

Erratum

After publication of this Case Report [1], we noticed a mistake in the order of the authors. Carole Dangoisse was meant to be the first author on this article and Pierre-François Laterre the last author. Also there were mistakes in the affiliation and contact details for Carole Dangoisse. This has been now corrected.

Published online: 26 February 2015
