Proceedings of the XXIII World Congress of Philosophy

Konstantinos Boudouris, Editor-in-Chief

This online collection contains over 1,700 section papers originally presented at the twenty-third World Congress of Philosophy in Athens in 2013. Each of the 75 volumes corresponds to a section from the conference program. The content of each volume is arranged by language (Chinese, English, French, German, Greek, Russian, or Spanish). All editorial work was supervised and completed in Athens. This collection has been published as a service to the profession by the **Philosophy Documentation Center**, in cooperation with the **Greek Philosophical Society** and the **International Federation of Philosophical Societies**.
