

Constructive elements of GP prevention message

Dr GIRARD Aurore, UCLouvain

Professionnal experience

EBM

Peer confrontation

A doctor is made
by his/her
culture

A doctor is an
human

I don't
think as a
priority

.....

I don't
know
how to
speak
about

How do I
feel with
this
subject ?

I am
tired

I see
people in
my
waiting
room

I am
hungry

....
